

LIGHTING THAT LASTS LONGER.

Wagner® LongLife HD lighting products are engineered to meet or exceed the highest standards. And the toughest conditions. With impact-resistant glass, rugged lamp housings and extra-strong filaments, Wagner LongLife HD lighting products last two to four times longer*. Install Wagner LongLife HD lighting products for all your replacement needs, from sealed beams to miniature lamps. For heavy duty dependability.

SEALED BEAMS

4x
LONGER LIFE*
