

The Problem Solver®

# DELIVERING POWER WHERE IT COUNTS

## MOOG U-JOINTS

- **Greasable Design** enables flushing of contaminants and moisture
- **Nitrile Rubber Grease Seals** with compressed double lip design protect against contaminants
- **Strong, Durable Construction** incorporating cold-forged, case-hardened, precision-ground bearing cups and forged, carburized heat-treated steel cross for strength and durability
- **Rigorous Testing** throughout design and development process ensures quality you can count on

## MOOG YOKES

- **Precision-machined bodies** to meet strict tolerances
- **Forged and cast materials** for exceptional durability and strength
- **Minimized flash lines** for reduced interference
- **Cleaning process** optimizes compressive strength for increased performance
- **Machined and threaded holes** for easier mounting
- **Rust preventative** added for longer life

MOOG® Power Take-Off and  
Agricultural Driveline Parts

This brochure only includes **select MOOG PTO and Agricultural Driveline Parts.**

The Problem Solver®

## BP4 AND W2300 SERIES

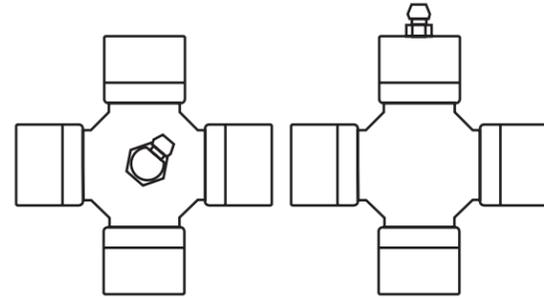

**Part No. U-Joint Grease Fitting**  
**344AG** Grease Fitting in Cross

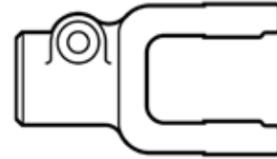

Part No.	Yoke Part Type	Yoke Specification
1006	Quick Disconnect Yoke	1 3/8" Bore, 6 Spline, Pin Type

## BP6 AND W220 SERIES

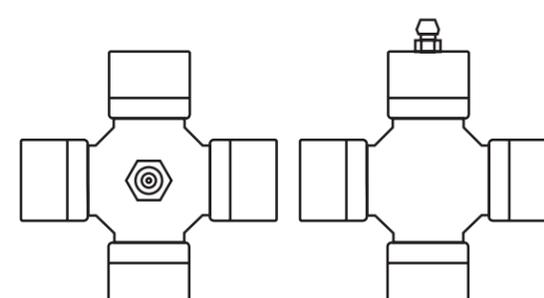

**Part No. U-Joint Grease Fitting**  
**331AG** Grease Fitting in Cross  
**331BL** Grease Fitting in Bearing

Part No.	Yoke Part Type	Yoke Specification
1010	Quick Disconnect Yoke	1 3/8" Bore, 6 Spline, Pin Type

## 1300 SERIES

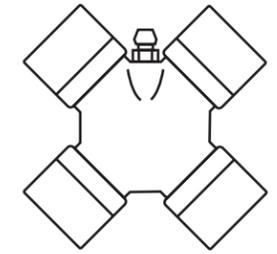

**Part No. U-Joint Grease Fitting**  
**880** Grease Fitting in Cross  
**882** Grease Fitting in Bearing

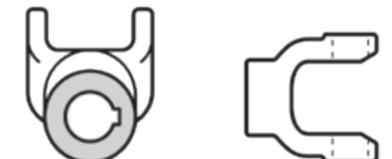

Part No.	Yoke Part Type	Yoke Specification
1372	Quick Disconnect Yoke	1 3/8" Bore, 6 Spline, Pin Type

## 1310 SERIES

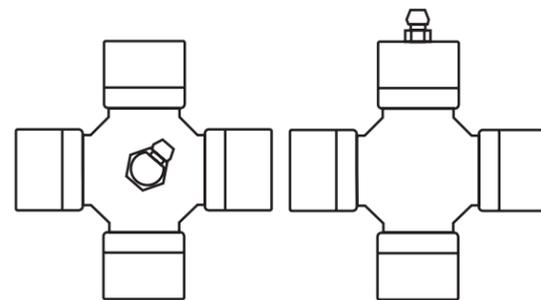

**Part No. U-Joint Grease Fitting**  
**369** Grease Fitting in Cross

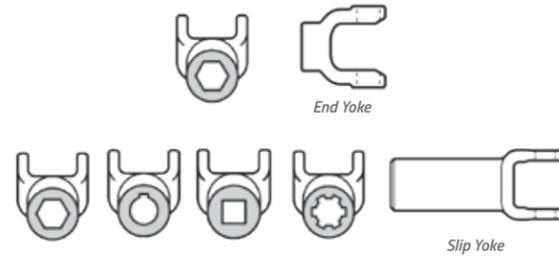

Part No.	Yoke Part Type	Yoke Specification
1397	End Yoke	2 9/16" Long, 1 1/4" Round Bore, 5/16" Keyway

## 1500 SERIES

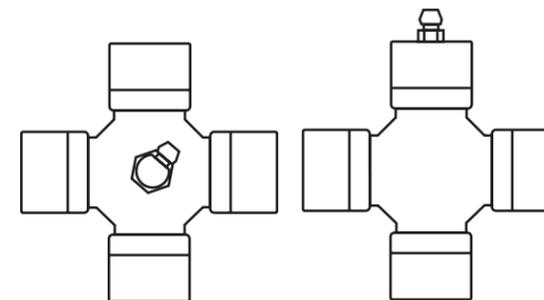

**Part No. U-Joint Grease Fitting**  
**338** Grease Fitting in Cross  
**838** Grease Fitting in Bearing

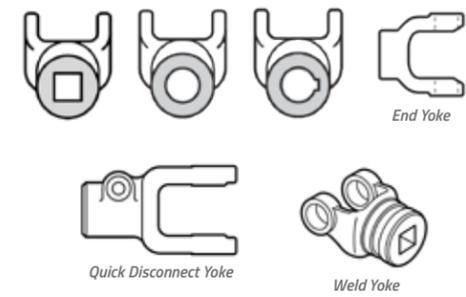

Part No.	Yoke Part Type	Yoke Specification
1560	End Yoke	7/8" Hex Bore
1754	Slip Yoke	1" Round Bore, 1/4" Keyway
1756	Slip Yoke	1 1/4" Round Bore, 5/16" Keyway
1760	Slip Yoke	7/8" Square Bore
1761	Slip Yoke	1" Square Bore
1766	Slip Yoke	1 1/8" Hex Bore
1772	Slip Yoke	7/8" Hex Bore
1782	Slip Yoke	1 1/4" Bore, 16 Spline

## 1800 SERIES

**Part No. U-Joint Grease Fitting**  
**964** Grease Fitting in Cross  
**934** Grease Fitting in Bearing

Part No.	Yoke Part Type	Yoke Specification
1810	End Yoke	1 3/8" Round Bore, Hole for 1/4" & 1/2" Shear Pin
1812	End Yoke	1 1/2" Round Bore, 3/8" Keyway
1825	End Yoke	1 1/8" Square Bore
1826	End Yoke	1 3/16" Square Bore
1852	Quick Disconnect Yoke	1 3/8" Bore, 6 Spline, Pin Type
1854	Weld Yoke	For 1 3/16" Square Shaft
